

ABOUT LAURENCE DELVALLEZ

Laurence Delvallez is a Belgian brand that designs jewelry for the contemporary woman. Inspired by fashion, art, nature and architecture, we create fashionable jewelry that stands out.

Besides, we highly focus on authenticity. Therefore, Laurence selects her materials in Italy and afterwards, all items are designed and created with care in our Atelier in Waregem.

Our mission is to empower women with confidence. We strongly believe that jewelry can give that extra boost to feel stronger.

At Laurence Delvallez, we handle a personal approach. We have an in-house repair service, as well as a customer service team who's always ready to welcome you.

ABOUT EDEN

Where the brilliance of metal meets the ethereal beauty of transparency, the Luminé Collection redefines modern elegance.

Bold combinations of gold, silver, and gunmetal are seamlessly fused with translucent resin, creating designs that are both striking and weightless.

This collection celebrates contrast and harmony—soft yet strong, timeless yet contemporary. Each piece captures the interplay of light and form, offering a dynamic look that transforms with every movement.

Perfect for those who dare to blend the edgy with the refined, the Luminé Collection is your statement of individuality and modern luxury. Illuminate your style. Choose Luminé.
